Fishery Leaflet 622

Washington, D.C. 20240 October 1969

SEPARATES FROM THE COMMERCIAL FISHERIES REVIEW

Single copies of these separates from the Commercial Fisheries Review will be sent by the Bureau without charge, while the supply lasts. Please give the identification letters and number and the title of the separate wanted. Address your request to the Bureau of Commercial Fisheries, Division of Publications, Publications Unit, 1801 N. Moore Street, Arlington, Va. 22209.

Alaska

Sep. 732 Soviet and Japanese fishing activity off Alaska in 1964.
Sep. 738 Herring fishery in southeastern Alaska.
Sep. 741 Bottom trawling surveys of the northeastern Gulf of Alaska.
Sep. 746 A Japanese gill-net fishery for bottomfish in the Gulf of Alaska.
Sep. 760 Alaska shrimp explorations, 1962-64.
Sep. 806 Experimental trawling and pot fishing for giant Alaskan prawn.
Sep. 821 The Dungeness crab fishery around Kodiak, Alaska.
Sep. 825 The role of international agreements in Alaskan fisheries.
Sep. 834 Japanese longline fishery in Gulf of Alaska.
Sep. 841 Revisions of international agreements affecting Alaskan fisheries.

Alewives

Sep. 511 Damariscotta (Maine) alewife fishery.
Sep. 771 An evaluation of the air bubble curtain as a barrier to alewives.

Bait

Sep. 824 Rearing lugworms for fish bait.

Breading

Sep 678 Accuracy of the official method of determining breading percentages of frozen raw breaded shrimp.

Chub

Sep. 712 Preliminary report on experimental smoking of chub (Leucichthys sp.).

Clams

Sep. 176 A technological study of the ocean quahog fishery.
Sep. 727 Estimating residual shell in shucked soft-shell clams (Mya arenaria L.).

Clams--Continued

Sep. 756 Ocean clam survey off U.S. middle Atlantic coast--1963.
Sep. 776 Hard-clam explorations off southeastern United States.
Sep. 780 The surf clam fishery.
Sep. 788 Distribution of southern quahogs off the middle Atlantic coast.
Sep. 789 A clam measuring board.
Sep. 790 Sleeve for clam jetting hose connection.
Sep. 791 Clam survey Ocean City, Maryland, to Cape Charles, Virginia.
Sep. 793 Development of a submersible pumping system for a hydraulic surf clam dredge.
Sep. 797 The Atlantic surf clam fishery in 1966.
Sep. 800 Equipment Note 22--Deck equipment layout on M/V Delaware for surf clam survey.
Sep. 804 Clam survey off Virginia (Cape Charles to False Cape).
Sep. 807 Special small-clam retainer and bottom sampler designed.
Sep. 829 The 1967 Atlantic coast surf clam fishery.

Cod

Sep. 679 The line-trawl fishery for cod and haddock at Chatham, Massachusetts.
Sep. 736 The U.S. cod fishery in the northwest Atlantic.

Composition

Sep. 441 Composition of Southern oysters.
Sep. 613 Composition of commercially-important fish from New England waters.
Sep. 765 Species composition of the North Carolina industrial fish fishery.

Crab

Sep. 512 The blue crab and its fishery in Chesapeake Bay.
Sep. 619 Red crab explorations off the northeastern coast of the United States.
Sep. 637 Soft crab industry.
Sep. 655 The blue crab and its fishery in Chesapeake Bay. Part 2 - Types of gear for hard crab fishery.
Sep. 665 Modifications of Chesapeake Bay commercial crab pot.
Sep. 680 Mechanizing the blue crab industry. Part I - Survey of processing plants.
Sep. 683 Mechanizing the blue crab industry. Part II - Measures for immediate relief through worker specialization.
Sep. 698 Mechanizing the blue crab industry. Part III - Strengthening the industry's economic position.
Sep. 718 Crab Industry of Chesapeake Bay and the South--An industry in transition.
Sep. 821 The Dungeness crab fishery around Kodiak, Alaska.
Sep. 839 Shipping live Dungeness crabs by air to retail market.

Culture

Sep. 664 Shellfish hatcheries and their future.
Sep. 772 Willapa oyster studies--use of the pasture harrow for the cultivation of oysters.
Sep. 785 Experimental rearing of postlarval brown shrimp to marketable size in ponds.
Sep. 798 An evaluation of sampling trays in farm ponds.
Sep. 803 New "live car" improves catfish harvesting and handling.

Curing

Sep. 597 Construction and operation of an inexpensive fish smokehouse.
Sep. 712 Preliminary report on experimental smoking of chub (Leucichtys sp.)

Dams

Sep. 840 Research on a system for bypassing juvenile salmon and trout around low-head dams.

Electrical Fishing

Sep. 734 An experiment in electrical fishing with an electric field used as an adjunct to an otter-trawl net.

Estuaries

Sep. 827 Are estuaries necessary?

Exploratory Fishing

Sep. 659 Progress report on midwater trawling studies carried out off the New England coast in 1961 by M/V Delaware.
Sep. 682 Development of the John N. Cobb pelagic trawl--a progress report.
Sep. 730 Exploratory fishing for spiny lobsters, sand lobsters, and scallops in Panama.
Sep. 764 Experimental fish trawling survey along the Florida west coast.
Sep. 806 Experimental trawling and pot fishing for giant Alaskan prawn.
Sep. 826 Bottom longline explorations in the Gulf of Mexico: A report on "Oregon II's" first cruise.

Finfish

Sep. 795 Incidental catches of finfish in sea scallop dredges on Georges Bank.

Factory Trawler

Sep. 842 Economic returns to Polish factory trawlers in northwest Atlantic.

Fish Meal

Sep. 462 Pilot-plant fish-meal dryer.
Sep. 705 Improved rapid method for determining total lipids in fish meal.

Fish Oil

Sep. 676 Present and future market for fish oil.

Fish Protein Concentrate

Sep. 591 Fish flour is primarily a protein concentrate not a substitute for grain flour.
Sep. 690 MIT-UNICEF studies on the production of fish protein concentrate for human consumption.
Sep. 832 The U.S. fish protein concentrate program.

Fishery Products

Sep. 747 Reduction process to convert raw fish into thiaminase-free press cake.
Sep. 742 Pasteurization of fishery products with gamma rays from a cobalt-60 source.
Sep. 757 Identification of species in raw processed fishery products by means of cellulose polyacetate strip electrophoresis.

Fishing Equipment and Methods

Sep. 682 Development of the John N. Cobb pelagic trawl--a progress report.
Sep. 696 Scope ratio-depth relationships for beam trawl, shrimp trawl, and otter trawl.
Sep. 724 Equipment Note No. 15--Airlift for harvesting oysters.
Sep. 734 An experiment in electrical fishing with an electric field used as an adjunct to an otter-trawl net.
Sep. 735 Equipment Note No. 16--An exploratory fishing and gear research buoy.
Sep. 740 Equipment Note No. 17--Long-line gear improvement: aluminum crimping sleeve prevents hook damage by electrolysis.
Sep. 743 Construction and operation of the "Cobb" pelagic trawl (1964).
Sep. 750 Wade seine construction and method of use.
Sep. 752 Trawl cod-end mesh size selectivity toward yellow perch in Lake Erie.
Sep. 754 Equipment Note No. 18--A Nekton ring net sampler for use aboard oceanographic research vessels.
Sep. 759 Equipment Note No. 19--Trawl cod-end closing device.
Sep. 773 The channel net for shrimp in North Carolina.
Sep. 790 Sleeve for clam jetting hose connection.
Sep. 793 Development of a submersible pumping system for a hydraulic surf clam dredge.
Sep. 796 Development of the electro-shrimp trawl system.
Sep. 800 Equipment Note 22--Deck equipment layout on M/V "Delaware" for surf clam survey.
Sep. 802 A method for tapering purse seines.
Sep. 812 How Lake Superior gill net vessel was converted to trawler.
Sep. 815 Parachute-type sea anchor.
Sep. 817 Recent innovations for trawl net reels.
Sep. 828 The fish-finding sonar of "Oregon II."

Fishing Equipment and Methods--Continued

Sep. 831 A floating trap net for use in reservoirs.
Sep. 833 A machine for winding trawl cable.

Foreign Fisheries

Africa

Sep. 782 Experimental purse seining for tunas in Portuguese West Africa.

Guinea

Sep. 707 The Guinean trawling survey.
Sep. 745 Shrimp potential of the eastern Gulf of Guinea.

Japan

Sep. 732 Soviet and Japanese fishing activity off Alaska in 1964.
Sep. 746 A Japanese gill-net fishery for bottomfish in the Gulf of Alaska.

Central America

Panama

Sep. 730 Exploratory fishing for spiny lobsters, sand lobsters, and scallop in Panama.

Lesser Antilles

Sep. 783 An aircraft and vessel survey of surface tuna schools in the Lesser Antilles.

Poland

Sep. 842 Economic returns to Polish factory trawlers in northwest Atlantic.

South America

Argentina

Sep. 770 Argentina - Tuna fisheries, 1960-64.

Chile

Sep. 775 Chile - Her riches are just off coast--but far from markets.

Venezuela

Sep. 737 Some observations on the distribution of peneied shrimp in eastern Venezuela.

South Pacific

Tahiti

Sep. 813 South Pacific landings of skipjack and yellowfin tuna at Papeete market (Tahiti).

U.S.S.R.

Sep. 697 Soviet new floating cannery active in North Pacific and Bering Sea. Soviet North Pacific fishing vessels report good catches. Soviet plans deep-water fishing in the Bering Sea. Soviet fishing fleets in eastern North Pacific and Bering Sea decline. Soviets deliver frozen fish to Cuba.
Sep. 714 Soviet Far East fisheries expansion.
Sep. 715 Overall view of Soviet fisheries in 1963, with emphasis on activities off United States Coast.
Sep. 732 Soviet and Japanese fishing activities off Alaska in 1964.
Sep. 805 FAO Study tour in USSR.

Fossils

Sep. 774 Rare fossils dredged off Atlantic Coast.

Gulf of Mexico

Sep. 823 The late-summer waters of the Gulf of Mexico.
Sep. 826 Bottom longline explorations in the Gulf of Mexico, a report on "Oregon II's" first cruise.
Sep. 835 Late-winter waters of Yucatan Straits--A 1968 "Geronimo" survey in Gulf of Mexico.

Haddock

Sep. 679 The line-trawl fishery or cod and haddock at Chatham, Massachusetts.

Hake

Sep. 763 Pacific hake (Merluccius productus) as raw material for a fish reduction industry.

Halibut

Sep. 749 New approaches to quality changes in fresh chilled halibut.

Herring

Sep. 738 Herring fishery in southeastern Alaska.
Sep. 816 The new thread herring fishery in eastern Gulf of Mexico.

Industrial Fisheries

Sep. 612 Gulf of Mexico trawl fishery for industrial species.
Sep. 765 Species composition of the North Carolina industrial fish fishery.
Sep. 767 The industrial fisheries of tomorrow--Charting the course.

Inspection

Sep. 693 Five years of voluntary fishery products inspection.
Sep. 711 Weight and measure activities in the USDI fishery products standards and inspection program.

International Agreements

Sep. 825 The role of international agreements in Alaskan fisheries.
Sep. 841 Revisions of international agreements affecting Alaskan fisheries.

Lobster

Sep. 654 Use of environmental and economic factors to check biological fluctuations in Maine lobster population.
Sep. 716 Supply, sustained yield, and management of the Maine lobster resource.
Sep. 730 Exploratory fishing for spiny lobsters, sand lobsters, and scallops in Panama.

Marine Worms

Sep. 708 Changes in abundance of the marine worm, Glycera dibranchiata, associated with sea water temperature fluctuations.
Sep. 824 Rearing lugworms for fish bait.

Meeting

Sep. 768 Third technical meeting on fishing boats.

Menhaden

Sep. 755 Review of U.S. menhaden industry, 1965.

Oceanography

Sep. 809 Oceanography's role in developing marine resources.

Oysters

Sep. 441 Composition of Southern oysters.
Sep. 615 A practical chemical method for killing mussels and other oyster competitors.
Sep. 670 Oyster industry of Chesapeake Bay, South Atlantic, and Gulf of Mexico.
Sep. 721 Design and operation of a tray rack for the study of oysters.
Sep. 724 Equipment Note No. 15--Airlift for harvesting oysters.
Sep. 772 Willapa oyster studies--Use of the pasture harrow for the cultivation of oysters.

Perch

Sep. 752 Trawl cod-end mesh size selectivity toward yellow perch in Lake Erie.

Prawn

Sep. 806 Experimental trawling and pot fishing for giant Alaskan prawn.

Processing

Sep. 819 Vacuum evisceration - A modern method of cleaning fish at sea.

Preservation

Sep. 597 Construction and operation of an inexpensive fish smokehouse.
Sep. 645 Effect of butylated hydroxy tolerance and potassium sorbate on development of rancidity in smoked mullet.
Sep. 742 Pasterization of fishery products with gamma rays from a cobalt-60 source.
Sep. 769 Heat inactivation of thiaminase in whole fish.
Sep. 779 Bacteriological control for producing high-quality breaded seafoods.
Sep. 794 Basic ideas in fishery science. 1 - Preservation of fish by the use of gamma rays.

Quality

Sep. 458 North Atlantic shrimp keeping quality in cold storage.
Sep. 749 New approaches to quality changes in fresh chilled halibut.
Sep. 779 Bacteriological control for producing high-quality breaded seafoods.
Sep. 801 New tests assess quality changes in fish.
Sep. 808 Improving and expanding the distribution of fresh (unfrozen) seafoods by means of insulated containers.

Red Snapper

Sep. 661 Snapper trawling explorations along the southeastern coast of the United States.

Sablefish

Sep. 744 Distribution, abundance, and size of sablefish (Anoplopoma fimbria) found in deep water off the mouth of the Columbia River.

Safety

Sep. 818 Safety for the commercial fishing vessel and crew.

Salmon

Sep. 675 Comparison of salmon catches in monofilament and multifilament gill nets.
Sep. 710 Comparisons of salmon catches in monofilament and multifilament gill nets--Part II.
Sep. 726 Experimental trawling for high-seas salmon.
Sep. 830 U.S. and Japan conduct successful salmon research cruise.
Sep. 840 Research on system for bypassing juvenile salmon and trout around low-head dams.

Sardines

Sep. 614 Air-curtain fishing for Maine sardines.

Scallop

Sep. 630 An interim report of the Cape Canaveral calico scallop bed.
Sep. 657 A method of predicting fluctuations in the sea scallop populations of Maine.
Sep. 730 Exploratory fishing for spiny lobsters, sand lobsters, and scallops in Panama.
Sep. 751 Technical Note No. 2--An inexpensive scallop cleaner built from spare parts.

Scallop--Continued

Sep. 778 History of scallop and clam explorations in the Gulf of Mexico.
Sep. 795 Incidental catches of finfish in sea scallop dredges on Georges Bank.
Sep. 814 Trends in the Atlantic sea scallop fishery.
Sep. 820 Scallop explorations off Oregon.

Sea Bass

Sep. 761 Gear and technique of the sea bass trap fishery in the Carolinas.

Sea Lions

Sep. 438 The technological studies on the processing of sea lions.

Seaweed

Sep. 792 The West Coast's seaweed industry.

Shrimp

Sep. 668 Gulf States shrimp canning industry.
Sep. 673 Fluctuations in Maine shrimp landings.
Sep. 678 Accuracy of the official method for determining breading percentages of frozen raw breaded shrimp.
Sep. 737 Some observations on the distribution of penaeid shrimp in eastern Venezuela.
Sep. 745 Shrimp potential of the eastern Gulf of Guinea.
Sep. 758 Trends and developments - A method of forecasting the relative abundance of northern shrimp (Pandalus borealis Kr.) in Maine waters.
Sep. 760 Alaska shrimp explorations, 1962-64.
Sep. 773 The channel net for shrimp in North Carolina.
Sep. 777 Trends in Gulf of Mexico shrimp trawling fleet.
Sep. 785 Experimental rearing of postlarval brown shrimp to marketable size in pond.
Sep. 787 Survey of the sun-dried-shrimp industry of the north central Gulf of Mexico.
Sep. 796 Development of the electro-shrimp trawl system.
Sep. 836 A progress report on the development of a shrimp trawl to separate shrimp from fish and bottom-dwelling animals.

Sonar

Sep. 811 Detection of fish schools by sonar (eastern tropical Pacific, July-November 1967).
Sep. 828 The fish-finding sonar of "Oregon II."

Sponge

Sep. 799 The sponge industry of Tarpon Springs.

Standards

Sep. 678 Accuracy of the official method for determining breaded percentages of frozen raw breaded shrimp.
Sep. 709 A progress report on the development of international food standards.
Sep. 711 Weights and measures activities in the USDI fishery products standards and inspection programs.

Submarine

Sep. 786 The submarine "Pisces" as a fisheries tool.
Sep. 810 Submarine photos of commercial shellfish off northeastern United States.
Sep. 822 The view from a storied sub--The "Alvin" off Norfolk, Va.

Survey

Sep. 677 Bottom fish survey off the Oregon coast, 1961.

Swordfish

Sep. 837 Longlining for swordfish in the eastern Pacific.

Technology

Sep. 781 Technology's role in the seafood industry.

Trade Act

Sep. 733 The Trade Expansion Act and the Kennedy Round.

Training

Sep. 731 On-the-job training program for trainee commercial fishermen.

Trout

Sep. 838 Method for protecting lake trout taken in trawls.
Sep. 840 Research on a system for bypassing juvenile salmon and trout around low-head dams.

Tuna

Sep. 728 Review of the development of the Atlantic coast tuna fishery.
Sep. 729 How tuna sees a net.
Sep. 739 The yellowfin tuna fishery in the eastern tropical Atlantic.
Sep. 753 Skipjack tuna (Katsuwonus pelamis) resources of the Trust Territory of the Pacific Islands.
Sep. 762 The Atlantic tuna fisheries, 1963.
Sep. 766 The South Pacific long-line fishery for albacore tuna, 1954-64.
Sep. 770 Argentina - Tuna fisheries, 1960-64.
Sep. 782 Experimental purse seining for tunas in Portuguese West Africa.
Sep. 783 An aircraft and vessel survey of surface tuna schools in the Lesser Antilles.
Sep. 813 South Pacific--Landings of skipjack and yellowfin tuna at Papeete Market (Tahiti).

Underwater

Sep. 784 The subtropical underwater of the eastern Gulf of Mexico.

Weir

Sep. 651 Construction of a fish weir.

MS. #1879

GPO 881.156

As the Nation's principal conservation agency, the Department of the Interior has basic responsibilities for water, fish, wildlife, mineral, land, park, and recreational resources. Indian and Territorial affairs are other major concerns of America's "Department of Natural Resources."

The Department works to assure the wisest choice in managing all our resources so each will make its full contribution to a better United States -- now and in the future.
